

# TRISHA'S MONTHLY

February 01, 2010

In early January these 4 social media links were added to our website.

## Social media tools will help get our info to clients faster and clearer.

**Facebook**- become a fan to follow our news and promotions. We will be broadcasting random specials when openings occur due to cancellations.

**YouTube**- follow our trishasalons channel for High Def video's which we will be posting in the next few weeks. The purpose is to inform clients of various topics involving personal styling and products to salon introductions for our new clients.

**Flickr**- is a on-line photo gallery that allows us to store photos of recent events and link them to other areas of our on-line media for your viewing.

**Twitter**- is linked to our Facebook page to allow a clients and suppliers to follow our news. We actively communicate with industry partners thru twitter in New York, California & Florida for product support.
